

2019 Job Hunting Workshop – April 14th, 2019

The fourth Job Hunting/Career Development Workshop is coming in this April! Environmental professionals from consulting firms and government agencies are invited to share their successful career development experiences and provide suggestions to help young generation engineers and scientists land a great career! In addition, an attorney with experience in immigration and visa status will be invited to present immigration/employment information for international students and help all to further understand their working eligibility in US. Join us to hone your job-hunting skills!

- ✓ Panel Discussion with Experienced Engineering Professionals
- ✓ Job Hunting Tips and Suggestions
- ✓ On-site Mock Interview and Resume Review
- ✓ Networking Opportunities
- ✓ Legal Status Workshops (CPT/OPT, H-1B, EB Visa and Immigration)
