With the outstanding leadership of our former President Dr. Eric Wu, the Chair of the Steering Committee of Los Angeles Environmental Forum (LAEF) Dr. Weixing Tong, and the Board Members and Directors, SCCAEPAs had a fruitful year in 2019. In addition to the successful annual convention in Diamond Bar in February, SCCAEPAs held several LAEF Subforums in China at cities including Beijing, Harbin, Changchun, and Shenzhen in October 2019.

I am very honored to serve as the President of SCCAEPAs for the year of 2020. In addition to the tremendous contribution from all the Board Members and continued support from every one of you, we have the following team members to help gear SCCAEPAs toward another prosperous year ahead:

- Yiping Cao, Vice President
- Ann Lin, Vice President
- Zhong Xiong, Vice President
- Tim Chen, Treasurer, and
- Ethan Yuxiang He, Secretary.

As eager as you are toward the great event, the Board has decided to postpone this year's annual convention, considering the current epidemic situation related to the coronavirus disease. We will plan for the annual convention when the situation improves. Nevertheless, our warmest greetings are still with each one of you! Looking forward to seeing you all in the near future!

Regards,

Scarlett Xihong Zhai, Ph.D., P.E.

President of SCCAEPAs for 2020
