

Dr. Yue Rong Received 2011 AEHS Foundation Achievement Award

Dr. Yue Rong, Environmental Program Manager for UST Program at Los Angeles Regional Water Quality Control Board, has received 2011 AEHS Foundation Achievement Award at AEHS 21st Annual International Conference. The Association of Environmental Health Sciences (AEHS) Foundation is a non-profit professional organization. The award was presented to professionals recognized to be significant contributors in the environmental field as well as outstanding environmental stewardship. The award was presented in San Diego on March 15, 2011. (see picture: Dr. Yue Rong – left and Dr. Paul Kostecki, Executive Director of AEHS – right)

Dr. Rong is the preceding president and current board member of SCCAEP. He is also the Editor in Chief of SCCAEP Online Journal.
