

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

SUMMER INTERNSHIP ANNOUNCEMENT

The US EPA Region 9 is accepting applications for the Summer 2011 Internship Program, a program being jointly sponsored by EPA Region 9 and the National Aeronautics and Space Administration (NASA) Ames Facility located in Mountain View, CA. Applications will be accepted during the week of March 28 - April 1, 2011. This exciting opportunity is for students in the science and engineering fields to deepen their understanding of the role of the federal government in climate change, water quality protection, air quality improvement, remote sensing and data analysis, remediation of the natural environment, and protection of public health. Selected candidates will work in partnership with interns at the NASA Ames facility on projects that leverage EPA and NASA technologies, science, and mission priorities. A limited number of rooms in a federal dormitory-style complex may be available to summer interns at a low cost to the intern.
